

# Turn Your Company Meetings into Exciting Events with Game Shows for Reply®

## System Benefits:

- Quick set-up without the hassle of wires.
- Game shows are formatted for easy question input with impressive visuals.
- Each and every employee actively participates, either as an individual or team member.
- Breaks up long meetings and adds an element of exciting competition.
- Questions may be tailored to incorporate company issues, specific topics, or they may be general-interest-oriented.
- Scoring is automated and can be tracked by individuals or teams.

## Solution: \*Option Power Group Competition Module

- **Win A Million**  
Similar to a popular TV show, this game includes 15 question levels with progressively higher point values. The player that can answer all 15 questions correctly can earn 1 million points.

- **The Quiz Challenge** follows popular academic quiz bowl format to offer 3 rounds of 8 questions. Point values increase each round.

- **And the Answer Is...**  
A Jeopardy-style game board with 25 questions. Each question is presented in the form of an 'answer'. Questions are grouped into 5 categories with increasing point values.
